

# The Newsletter

Issue 1, May 2016

Welcome to the inaugural edition of the newsletter for the Wheaton Hills Civic Association. I wanted to share information about the great work that's being done in and around the neighborhood. WHCA has been busy working with our neighboring associations and Montgomery County to help better our community. We'll have more about those efforts in future issues.

— Sean Corbett, President, WHCA

## A Note About Shopping Carts

*If you see shopping carts from Costco, Giant, or Target anywhere in or around the neighborhood, you can email the location to the mall and they'll send someone to pick it up:*
